

SPECIALIZED PROGRAM FOR AGES 3 TO 6

Our Award-Winning Programs are #1!

What Parents Say:

"All the kids and parents love your program for the chess lessons, stories, games, and the incredibly fun and supportive atmosphere that you provide."

"My two kids absolutely love attending the Little Chess Masters program. My youngest son didn't know how to play chess at all when he started, but now he plays every day!"

"I am overjoyed with my son's happiness and enthusiasm after each weekly class. I'm so glad that this creative program is offered at his preschool."

"This program is so fun for the kids! My own kids think that the highlight of their week is the Little Chess Masters class."

"My husband and I have noticed a great deal of improvement in our children's attention span since they started classes. We also really like that sportsmanship and teamwork are emphasized each week."
